

Giorgi Kvrivishvili

george.kvrivi@gmail.com [Linkedin](#) [Github](#)

I have been interested in technology for a long time. I always thought that my strengths were critical / analytical thinking and finding and analyzing information independently, so I decided to use my skills in programming.

Skills

- HTML
- CSS
- Sass
- Javascript
- Basics of
 - SQL
 - C#
- Figma
- Git (Github)
- GNU/Linux

Experience

Some of my personal projects:

- [Personal Portfolio](#) (HTML,SCSS)
- [To-Do List App](#) (HTML,SCSS,JS)
